

Re: Question about cybersecurity

Dear colleague,

Thank you for your message.

I am currently on vacation, but I hope I can still be of assistance. Call 0800-1234 and I'll give you some useful tips to keep our security and privacy under control.

Is something seriously wrong? Then make a report through the official channels. That way, you'll keep things under control.

Good luck and have a great summer!

Greetings from the CISO
